

Employee SMS Consent Acknowledgment

For a new-hire electronic packet or standalone delivery to a current employee.

EMPLOYEE NAME	MOBILE NUMBER FOR KEB TEXTS
---------------	-----------------------------

KEB Texting is a voluntary, low-volume, two-way program for employment-related and operational communications. It is not used for marketing or public solicitations.

By checking the acknowledgment box below and signing, I voluntarily consent to receive recurring SMS/text messages from KEB Logistics Inc at the mobile number I provide above. Messages may be sent using an automated messaging system and may concern scheduling and availability, attendance and timekeeping, route or service status, requests for assistance, vehicle or safety matters, required documentation, and related employment operations.

- Message frequency varies according to operational needs. Message and data rates may apply. KEB does not charge a separate program fee.
- I may reply **STOP** at any time to opt out, or **HELP** for assistance. I may also contact ken@keblogistics.com.
- Consent is not a condition of employment. If I decline or later opt out, I remain responsible for communicating with KEB through another method designated by the company.
- Mobile numbers, SMS opt-in data, and consent records are not sold, rented, or shared with third parties or affiliates for their marketing or promotional purposes.
